

Remarkably relaxing.
Surprisingly stimulating.

the *Elite* series of whirlpool baths

Trajjet
Where water comes home

the *Elite* series, by Trajet

When you think of whirlpool tubs, you think of relaxation. We think there's more. That's why Trajet incorporated surprisingly stimulating designs and features into each and every Elite series selection. Elites are visually strong, yet flexible enough to fit into any space without intruding. Each is rich with features while remaining easy to use and maintain for years of trouble-free enjoyment.

Relaxing, stimulating, rich and friendly...
Welcome to the Elite series by Trajet, where water comes home.

Standard features found in all Elite whirlpool tubs

- | | |
|--|---|
| Seamless, Hi-Gloss Acrylic Finish | Unlike many materials used in manufacturing tubs, all Elite tubs start as a single, high-density acrylic sheet. Trajet uses acrylics that deliver seamless surfaces that are easy to care for and maintain luster for years. |
| Custom Pump Locations | Multiple pump configurations allow flexible placement options for easy access, maintenance, and code compliance. |
| Safety Suction | Temporarily decreases suction system to allow quick release of hair and objects. Helps prevent accidental entrapment. |
| Fiberglass Backing | Hand rolled fiberglass-backing delivers superior strength and long-term durability. All Elite whirlpool tubs are manufactured with chemically bonded resin/fiberglass materials for added stability and years of use. |
| Variable Air Control | Allows adjustment of whirlpool jet pressures, providing the ideal whirlpool experience. |
| Custom Colors | Elite whirlpool tubs are available in three standard colors, (white, biscuit or almond) or choose from hundreds of custom colors. Ask your Trajet representative for complete details. |

Three hand-rolled layers of chemically bonded, resin/fiberglass composite for superior strength

Foam Insulation

Self-Leveling Base & Reinforcing Frame

Adjustable Jets

Trajet's Corporate Offices and Manufacturing Facility
Glenwood, Iowa

**Constantemp™ Foam
Insulation**

Maintains water temperature, reduces noise and protects plumbing from vibration, sagging and assures proper drainage.

Small Adjustable Lumbar Jets

Adjustable pressure at lumbar area where jets are closest to your back.

Self-Leveling Base

Computerized base design and manufacturing assures level installation and proper drainage, first time—every time. The base, not the lip, supports all Elite whirlpool tubs.

Smoothtex* Floor

Trajet's exclusive Smoothtex floors provide more slip resistance than smooth finishes while maintaining a comfortable, non-abrasive surface.

**"One-Touch" Pushbutton
On/Off Control**

All Elite whirlpool tubs are designed with simple, One-Touch controls. Always within easy reach.

Easy Clean Surface and Jets

Elite whirlpool surfaces and jets are specially designed for quick, easy cleaning. We think your time is better spent enjoying your Elite experience.

**Exclusive "TubSaver™"
packaging**

Elite whirlpool tubs are expertly packaged and may be shipped with Trajet's exclusive optional TubSaver liners, assuring clean, scratch and dent-free delivery and installation. Elite tubs can be fully installed with the TubSaver liner in place.

6 ft. whirlpool tubs

Santiago

A spacious rectangular tub designed with sleek simplicity. The Santiago was designed to fit within a 72" x 31" rough-in, perfectly suited to new construction or remodeling. As with all Trajet tubs, the Santiago offers many quality, low-cost extras you won't find with other whirlpool tubs.

Standard Features:

- Acrylic Finish • Matching Jet Finish • Foam Insulated • Large 1 HP Pump
- Pneumatic (on/off) Air Switch • Dual Air Controls • Custom Pump Location

Quick Specs:

- Model 7231** • Dimensions: 72" L x 31-5/8" W x 18-1/2" D
• Jets/Pump Size: 6 Jets/ 1 HP • Water Capacity: 70-85 Gallons

La Strada

The ultimate in relaxation can be yours with the built-in arm rest feature of this extra-roomy whirlpool tub. Stretch out and enjoy the La Strada's exceptional comfort for a truly refreshing whirlpool experience.

Standard Features:

- Acrylic Finish • Matching Jet Finish • Foam Insulated • Large 1 HP Pump
- Pneumatic (on/off) Air Switch • Dual Air Controls • Custom Pump Location

Quick Specs:

- Model 7236** • Dimensions: 71" L x 35-1/4" W x 17-1/4" D
• Jets/Pump Size: 6 Jets/ 1 HP • Water Capacity: 50-60 Gallons

Freeport

This magnificent oval tub offers added interior space in a 6-ft. length. The curved lines enhance the peaceful design and allow optimal hydrotherapy. Classic and contemporary, the Freeport can be set within a custom deck or with a factory-built skirt and access panel to the pump.

Standard Features:

- Acrylic Finish • Matching Jet Finish • Foam Insulated • Large 1 HP Pump
- Pneumatic (on/off) Air Switch • Dual Air Controls • Custom Pump Location

Quick Specs:

- Model 7242** • Dimensions: 71-5/8" L x 41-7/8" W x 17-7/8" D
• Jets/Pump Size: 6 Jets/ 1 HP • Water Capacity: 55-85 Gallons

St. Thomas

Enjoy the luxury of extra width and built-in arm rests for supreme comfort. Large enough for two to enjoy, this beautiful tub is designed with a contoured seat. The St. Thomas is also available with a custom skirt and access panel to the pump.

Standard Features:

- Acrylic Finish • Matching Jet Finish • Foam Insulated • Large 1 HP Pump
- Pneumatic (on/off) Air Switch • Dual Air Controls • Custom Pump Location

Quick Specs:

- Model 7248** • Dimensions: 71" L x 47-3/8" W x 19-1/8" D
• Jets/Pump Size: 6 Jets/ 1 HP • Water Capacity: 75-115 Gallons

Key West

The Key West whirlpool brings you the luxury of a spacious, oval design and simple, classic lines. The perfect answer for an extra-wide, extra-long, whirlpool tub that looks beautiful in a deck, or sunken installation.

Standard Features:

- Acrylic Finish • Matching Jet Finish • Foam Insulated • Large 1 HP Pump Pneumatic (on/off) Air Switch • Dual Air Controls • Custom Pump Location

Quick Specs:

Model 7444 • Dimensions: 74" L x 44" W x 20-3/4" D

- Jets/Pump Size: 8 Jets/ 1 HP • Water Capacity 75-95 Gallons

Aruba

The extra depth in the Aruba makes immersing yourself in relaxation simple. The seat in the corner makes filling the tub quicker, and adds space for a bath for two. The adjustable lumbar jets at each end and center drain makes any place you sit in the Aruba the most luxurious experience.

Standard Features:

- Acrylic Finish • Matching Jet Finish • Foam Insulated • Large 1 HP Pump • Pneumatic (on/off) Air Switch • Dual Air Controls • Custom Pump Location

Quick Specs:

Model 5959D • Dimensions: 58-1/2" L/W x 21-3/4" S x 19-1/4" D

- Jets/Pump Size: 6 Jets/ 1 HP • Water Capacity: 45-80 Gallons

Nassau

The Nassau is ideal for the corner space seat. Nassau's distinctive styling make this a great choice where a more compact, corner tub is needed. Plenty of room for two adults.

Standard Features:

- Acrylic Finish • Matching Jet Finish • Foam Insulated • Large 1 HP Pump • Pneumatic (on/off) Air Switch • Dual Air Controls • Custom Pump Location

Quick Specs:

Model 5959 • Dimensions: 58-1/2" L/W x 21-3/4" S x 15-3/4" D

- Jets/Pump: Size 6 Jets/ 1 HP • Water Capacity: 40-60 Gallons

Belize

The Belize will give you the beauty of a distinctive corner tub without the corner seat. Ample room for two adults and comfortable, contoured corners make this a favorite for many families. The Belize is also available with a custom skirt and access panel to the pump.

Standard Features:

- Acrylic Finish • Matching Jet Finish • Foam Insulated • Large 1 HP Pump • Pneumatic (on/off) Air Switch • Dual Air Controls • Custom Pump Location

Quick Specs:

Model 6061 • Dimensions: 59-5/8" L/W x 22-1/2" S x 19-1/4" D

- Jets/Pump Size: 6 Jets/ 1 HP • Water Capacity: 55-80 Gallons

the *Elite* series of whirlpool baths

Warranty

Trajjet warrants to the consumer owner, that if a Trajet whirlpool tub should stain or fade, or should break, rupture or delaminate within a period of one year (under normal usage) from the original date of purchase, Trajet will at its option, repair any such defect or supply a new whirlpool tub F.O.B. Trajet, at minimal cost to owner.

Consumer owner is required to return said defective tub to Trajet with a valid Returned Goods Authorization number. Tub is to be packaged in a 600 psi cardboard box or wooden crate, freight prepaid. Trajet shall not be responsible for cost of removal or replacement whatsoever of the whirlpool.

This warranty does not cover damage or failures caused by Acts of God, misuse or abuse, accidents, negligence, fire or improper installation. This warranty also has specific limitations. Excluded from warranty are certain damages, including but not limited to: shipping damage, damage occurring during or after installation, damage resulting from installation, damage from the use of chemicals, bath oil additives, or improper cleaning agents, and damage from product modifications, careless handling, or product use for other than personal, family or household purposes. Trajet shall not be responsible for repair or replacement of the tub unit if found to be improperly supported on the floor.

Trajjet warrants the product plumbing, motor and pump for a period of one (1) year against manufacturer defect.

Trajjet shall not be responsible for any consequential or incidental damages, including but not limited to any damages for loss of use of bathtub or injury to any person or property. Any claims, therefore, are hereby specifically disclaimed and excluded. Some states do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights and you may also have other rights which vary from State to State. Proof of purchase must be presented with any claim.
