Fiji

Paradise found... Inspired by the gentle rains of the island, the Fiji transports you to the escape you deserve. A combination steam room and shower, the Fiji is the perfect solution for remodeling or new construction. Trajet engineered this luxurious system in a convenient five-piece, knock-down unit which makes installation easy and affordable. Complete with all the features that make Trajet the choice of more and more discriminating owners, the classic lines and integrated offerings, the Fiji awaits your arrival.

Imagine the relaxation that you'll share with this truly inspirational addition to your home.

As you explore your fantasy, you'll discover some not-so-hidden secrets that make Trajet's offerings a clearly obvious choice for your home. Designed and engineered for years of trouble-free maintenance, Trajet's Fantasy Shower Rooms are manufactured from single sheets of high-density acrylic. Surfaces are easy to care for and maintain luster for years. All Trajet jets and shower heads are specially designed for quick, easy cleaning. Trajet Fantasy Shower, Steam and Bath combinations offer the perfect integration of style, function and unadulterated pleasure.

(a) Dual Shower Heads (One stationary and one hand-held.) Each adjustable four-function spray settings, easy-clean finish

(b) Shower valve Adjusts temperature and water pressure (on/off), single-handle pressure balancing (anti-scald) valve

(c) 5-Way Diverter Valve Directs water to either shower head(s), body sprays, or combination of fixtures

(d) 4 Body Sprays Small massaging shower heads, three-function, individually adjustable, so that every spot in the shower stays warm, relaxing or invigorating, depending on your mood

(e) Interior Shelf & Storage Doors A generous built-in cabinet allows easy storage and access to bottles, razors, soaps and shampoos while keeping your shower looking neat, clean and organized.

Interior Lighting Your Fantasy shower comes complete with a recessed in-shower ceiling light for extra illumination. This additional light is great for setting the perfect atmosphere, interior display and, of course, shaving in a well-lit shower.

(f) Frameless Custom Shower Doors 3/8" tempered glass doors, built specially for the Fantasy series, seal tight to hold in steam and water. Strong, attractive, and easy to clean!

(g) Steam Generator (auto-flush valve included) Warm steam uses moisture, not the dry heat you would get from a sauna, great for aromatherapy oils and relaxation!

(h) Polished Brass Finish One charge upgrades all your Fantasy fixtures to polished brass. Be sure to ask your Customer Service Representative about other finishes, such as Brushed Nickel.

Whirlpool System Add relaxation and invigoration at the touch of a button with the full whirlpool system. Available in the St. Croix. The Fiji system may be ordered with a foot whirlpool to help you relax after whatever kind of day you've had. (Whirlpool options not available in the Molokai)

Stereo Speakers Waterproof speakers can be wired to your home stereo, or individual system for enjoying music while relaxing in your Fantasy Steam Shower Room.

Custom Colors The standard color for Fantasy shower rooms is white. Additional colors may be available with extended lead time. Ask your Trajet representative for complete details.

and manufactured in Glenwood, Iowa, U.S.A.

Warranty

Traj et warrants to the consumer owner, that if a Trajet whirlpool tub should stain or fade, or should break, rupture or delaminate within a period of one year (under normal usage) from the original date of purchase, Trajet will at its option, repair any such defect or supply a new whirlpool tub F.O.B. Trajet, at minimal cost to owner.

Consumer owner is required to return said defective tub to Trajet with a valid Returned Goods Authorization number. Tub is to be packaged in a 600 psi cardboard box or wooden crate, freight prepaid. Trajet shall not be responsible for cost of removal or replacement whatsoever of the whirlpool.

This warranty does not cover damage or failures caused by Acts of God, misuse or abuse, accidents, negligence, fire or improper installation. This warranty also has specific limitations. Excluded from warranty are certain damages, including but not limited to: shipping damage, damage occurring during or after installation, damage resulting from installation, damage from the use of chemicals, bath oil additives, or improper cleaning agents, and damage from product modifications, careless handling, or product use for other than personal, family or household purposes. Trajet shall not be responsible for repair or replacement of the tub unit if found to be improperly supported on the floor.

Traj et warrants the product plumbing, motor and pump for a period of one (1) year against manufacturer defect.

Traj et shall not be responsible for any consequential or incidental damages, including but not limited to any damages for loss of use of bathtub or injury to any person or property. Any claims, therefore, are hereby specifically disclaimed and excluded. Some states do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights and you may also have other rights which vary from State to State. Proof of purchase must be presented with any claim.
