

**Trajet**  
Where water comes home.

The *exceptional* standard

**Innoyatub**

# Innovatub™

The exceptional Standard

**T**rajeta has redefined "standard" with Innovatub.

The Innovatub serves two purposes both of which are exceptional, to say the least.

First, Innovatub immerses you in the classic relaxation experience found only in quality Trajeta whirlpool tubs. The sleek exterior lines and body-pampering interior design satisfy visual senses in any bath setting. And if that's not enough, Innovatub's four powerful, fully adjustable side jets join with two specially designed, adjustable lumbar jets to refresh, relax and renew anyone's spirit at the end of the day.

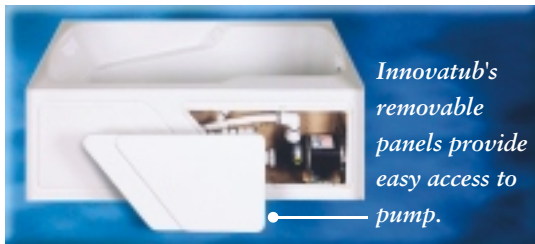

*Innovatub's integrated one piece skirt and tub design provides maximum interior room within the same space as conventional tubs.*

Innovation? Trajeta has even made the Innovatub easy to install and maintain. The pull-away access panel allows for complete access to the pump. Just lift the Innovatub's access panel for maintenance and installation ease.

## Constantemp™ ...A Trajeta exclusive feature

All Innovatubs come with the exclusive Constantemp° foam insulation system that maintains heat without the added cost of an inline heater. Constantemp° makes the Innovatub more energy efficient. Plus, Trajeta's Constantemp° system dramatically reduces noise and vibration, assuring a quiet, totally satisfying whirlpool experience.

*Innovatub's removable panels provide easy access to pump.*

### The Innova 6032-i L/R

Based on our most popular armrest style and designed specifically to fit within a 60" x 32" space, this is the ideal choice for new installations and remodels where a top-quality tub is needed.

- Dimensions: 60" L x 32" W x 18-1/2" D
- 6 Jets / 1.25 HP Pump
- Water Capacity: 40 - 65 Gal.

### The Innova 6036-i L/R

Submerge yourself in deep comfort. The 6036 features an extra deep, wide design to focus the hydrotherapy for optimum benefits. This curvaceous tub will make a bold statement in your bath suite.

- Dimensions: 60" L x 36" W x 18-1/2" D
- 6 Jets / 1.25 HP Pump
- Water Capacity: 50-85 Gal.

**I**nnovatub walls surround you with sleek lines and function in one of the most appealing enclosures in the industry.

The Innovatub enclosure completes the total experience with color-matched modules made of solid, thermoformed sheet-acrylic, reinforced with fiberglass to deliver exceptional strength and durability over years of use.

***Bigger and Better ...***

Innovatub enclosures are among the tallest in the industry and allow for higher showerhead placement, thus offering comfort and functionality for everyone.

Innovatub enclosures are as easy to clean as they are rich with plenty of room to keep soaps, shampoos and bath items.

Easily installed, easy to maintain and very easy on the eye, Innovatub enclosures are the perfect match to the perfect whirlpool tub.

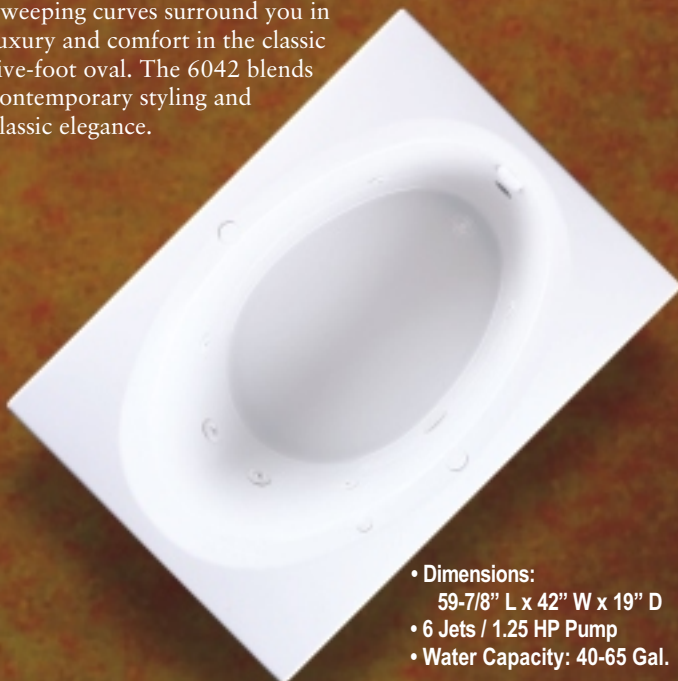

***Exceptional Features ...***

- **84 Inch Height**—Among the tallest in the industry
- **Attaches directly to studs**—No need for drywall or composite wall backings
- **Innovative interior tub design**—Maximizes interior tub space in standard exterior dimensions for added comfort and compatibility

**Innovatub™**  
The exceptional Standard

**The Innova 6042-i L/R**

**The Innova 7236-i L/R**

The extra-roomy bath getaway for those who enjoy spacious, classic styling. The Innovatub 7236 offers comfort extras like relaxing armrests and plenty of length to stretch out and enjoy your personal in-home retreat.

- Dimensions: 72" L x 36" W x 18-1/2" D
- 6 Jets / 1.25 HP Pump
- Water Capacity: 50-85 Gal.

*Trajjet Products, Inc.*  
*Limited Warranty*

Trajjet warrants to the consumer owner, that if a Trajjet whirlpool, tub or shower should stain, fade, crack, rupture or delaminate within a period of five (5) years (under normal usage) from the original date of purchase, Trajjet will, at its option, repair or replace any such defect or supply a new unit F.O.B. Trajjet. If the particular model is no longer in stock, Trajjet reserves the right to replace the defective unit with a comparable unit. If Trajjet determines that a replacement unit is required, consumer owner is required to return said defective unit to Trajjet with a valid Return Goods Authorization number. Product is to be packaged in a 600 psi cardboard box or wooden crate, and shipped freight prepaid. Trajjet shall not be responsible for cost of removal or replacement whatsoever of the product. This warranty does not cover damage or failures caused by Acts of God, misuse or abuse, accidents, negligence, fire or improper installation. This warranty also has specific limitations. Excluded from warranty are certain damages including but not limited to: damage by carriers, damage occurring during or after installation, damage due to installation other than as prescribed in the Trajjet Installation Instructions, damage from the use of chemicals, bath oil additives, improper cleaning agents, damage from product modifications or alterations, careless handling, or unreasonable use such as use for non-bathing purposes or failure to provide regular and necessary maintenance. In no way shall the liability to Trajjet exceed the purchase price of the unit.

Trajjet warrants the product plumbing, motor and pump for a period of two (2) years from the date of purchase against manufacturer's defect. Trajjet shall not be responsible for any labor charges and consequential or incidental damages, including but not limited to: any damages for loss of use of the whirlpool, tub or shower or injury to any person or property. Trajjet shall not be responsible for any costs associated with gaining access to defective units. Any claims, therefore, are hereby specifically disclaimed and excluded. Some states do not allow the exclusion or limitation of consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state. Proof of purchase must be presented with any claim. This warranty does not apply to units used for commercial applications.
