Stop Tub Damage

Custom Molded

Protects and Saves

One little "Oops" can cost you plenty. But with Trajet's TubSaver, you can put an end to the "Oopses" and to profit losses from damaged tubs forever. Custom molded for perfect fit and easy tear-away edges for flexible installation, **TubSaver** protects tubs for pennies on the dollar. Just ask for the **TubSaver** when you order your next whirlpool from Trajet. *It's insurance you can't afford not to have!*

- Easy tear-away edges for installation
- Perforated, removable drain hole
- Foam padded for extra durability and protection of tub floor
- High resistance to construction scratches, dents and spills
- Tough, 40 mil. high impact styrene stands up to costly construction use and abuse
